"Special Waste," as defined in 38 M.R.S.A., Section 1303 (10-B), means any non-hazardous waste generated by sources other than domestic and typical commercial establishments that exists in such an unusual quantity or in such a chemical or physical state, or any combination thereof, which may endanger or impair effective waste management or threaten the public health, human safety or the environment and requires special handling, transportation and disposal procedures. Special waste includes, but is not limited to:

 - a. Oil, coal, wood and multifuel boiler and incinerator ash;
 - b. Industrial and industrial process waste;
 - c. Wastewater treatment plant sludge, paper mill sludge and other sludge waste;
 - d. Debris and residuals from non-hazardous chemical spills and cleanup of those spills;
 - e. Contaminated soils and dredge spoils;
 - f. Asbestos and asbestos-containing waste;
 - g. Sandblast grit and nonliquid paint waste;
 - h. Medical and other potentially infectious or pathogenic waste;
 - i. High and low pH waste;
 - j. Spent filter media residue;
 - k. Shredder residue; and
 - l. Other waste designated by the Board, by rule.
16. Insurance Provider Chapter 411 requires liability insurance coverage for bodily injury or property damage in the amount of at least \$40,000 for any one accident. Enter the name of your insurance provider in this space and attach a certificate of insurance to the application. If you are self-insured, write "self" in this space and attach a certificate from a financial institution certifying sufficient deposits to provide coverage.
17. Maximum Amount of Coverage Enter the dollar amount of liability insurance coverage for bodily injury or property damage.
18. Fees Submitted Enter the total amount of fees being submitted with this application. If the applicant is a governmental entity exempt from fees pursuant to CMR Chapter 411 Section 2(E)(3), write "exempt".
19. Required Attachments The license application will not be accepted without these attachments: a photocopy of the current, valid VEHICLE REGISTRATION (if applicable); a CERTIFICATE OF INSURANCE or certificate of self-insurance as described above; and a DISCLOSURE STATEMENT of the applicant's history of compliance with state and federal laws and regulations relating to the handling of non-hazardous waste or any other waste type within the five years immediately preceding the application, including the following information: a listing of any civil or criminal violations, convictions, or on-going court proceedings; and a listing of administrative consent agreements or consent decrees entered into by the applicant.

Completed applications must be signed, dated, and forwarded, with fees and attachments, to the Department of Environmental Protection. The top page of the multi-page form will be returned, after being stamped with the Department seal and date, as your license.
